

THE FUTURE WE
DON'T WANT IS
ALREADY HERE.

Join **goNewHavenGo** as we work to reduce transportation greenhouse gas emissions **20 percent** by the **end of 2020**.

WHY DO 2020?

- Less greenhouse gas emissions from driving means cleaner air.
- Be healthier with active commuting
- Save time spent in traffic congestion
- Save money on gas, car repairs, & insurance

HOW CAN I HELP?

- Use public transit
- Walk or bike
- Carpool: CTRides has a free ride matching program
- Consider buying an electric, hybrid, or fuel-efficient vehicle

CLIMATE CHANGE IS IN OUR HANDS.

That's why **goNewHaven**go is launching the 2020 Campaign to reduce transportation greenhouse gas emissions **20 percent** from 2019-2020.

WHY SHOULD I DO 2020?

- Less cars = less pollution
- Save money
- Spend less time in traffic
- Be more active by walking or biking

WHAT CHANGES CAN I MAKE?

- Use public transit
- Active commuting: try walking or biking
- Carpool
- Combine car trips

Go to GoNHGo.org to learn more about how you can reduce your impact.

LET'S GET MOVING.

Join goNewHavengo's **2020 Campaign** to reduce transportation greenhouse gas emissions **20 percent** by the **end of 2020**.

WHY?

There are many benefits to reducing or eliminating your car use. Here's just a few...

- Save gas, maintenance, & insurance money
- Be more physically active
- Save time spent in traffic congestion
- Contribute to cleaner air and a greener future

HOW?

Every action you take has an impact! These are some examples of what you can do:

- Use public transit
- Try active commuting such as walking or biking
- Carpool: CTRides has a free ride matching program
- Combine car trips
